

# What if YOUR LIFE was hanging on a ...

1 in 20,000 chance?

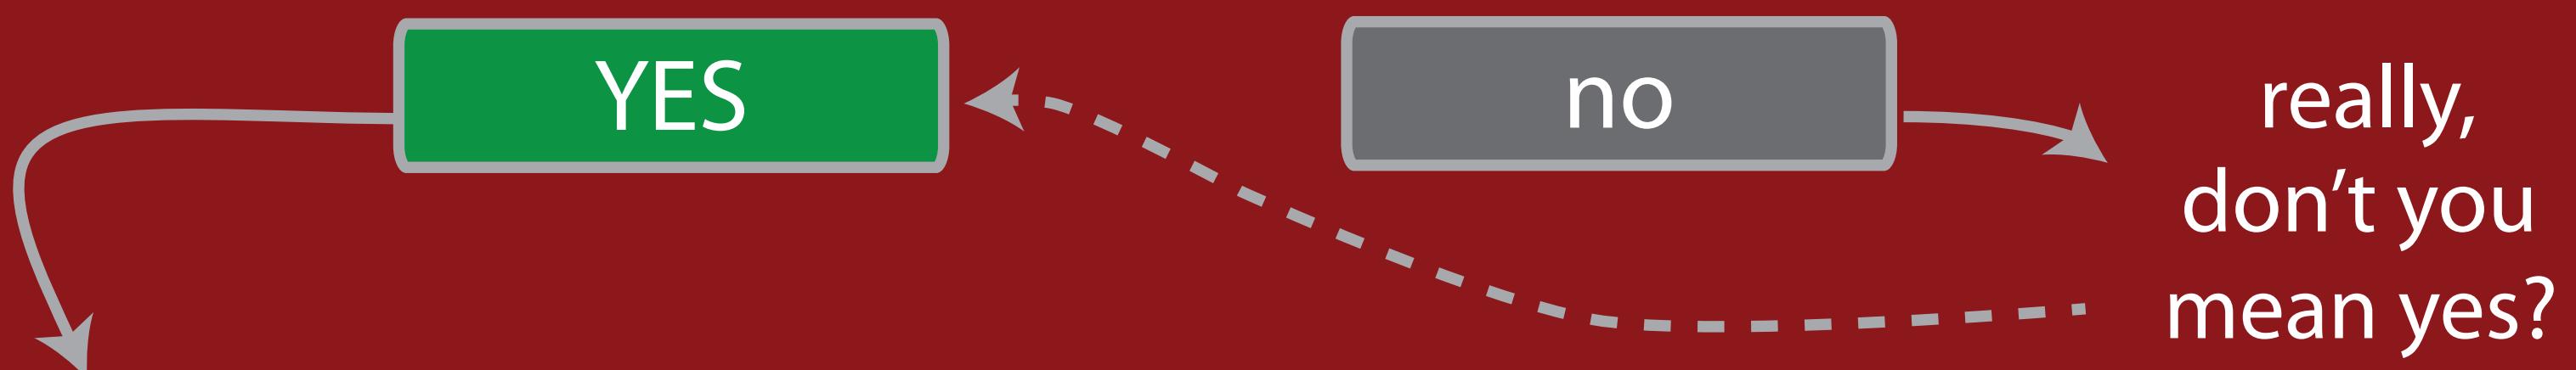

Beloved mother, friend, and professor  
**Nalini Ambady** has **8 WEEKS** to find a  
**South Asian** bone marrow donor.

First Indian woman to teach psychology at Harvard and Stanford

## Will YOU help save her life? (and countless others!)

Come to the donor registration drive (it just takes 15 minutes!)

1) When

2) Where

3) Contact

If you can't make the drive, join online with expedited processing:  
<http://tinyurl.com/iwillsavenalini>

Modern marrow donations are simple and painless -  
usually similar to donating blood!

YOU can  
make a  
significant  
difference!
