

What if YOUR LIFE was hanging on a ...

1 in 20,000 chance?

Beloved mother, friend, and professor
Nalini Ambady has **8 WEEKS** to find a
South Asian bone marrow donor.

First Indian woman to teach psychology at Harvard and Stanford

Will YOU help save her life? (and countless others!)

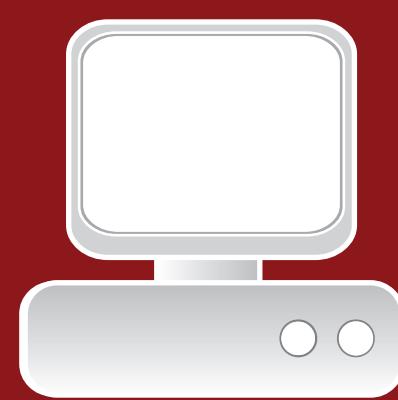

YES

no

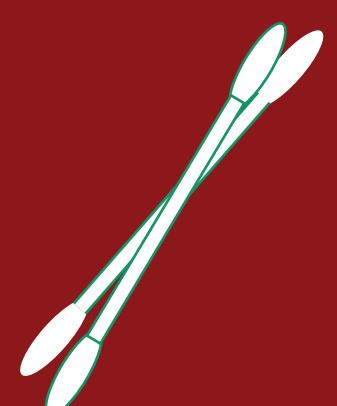

really,
don't you
mean yes?

Join the National Bone Marrow Donor Registry (it just takes 15 minutes!)

1) Order a kit online

2) Swab your cheek

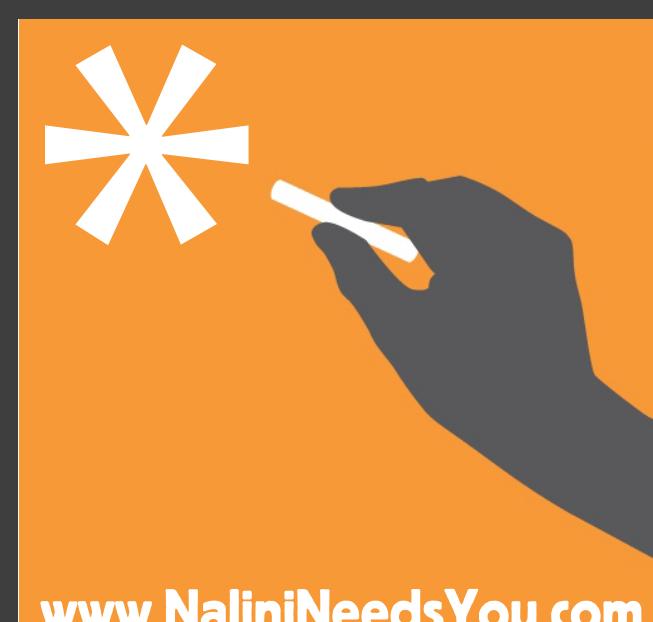

3) Mail it back

Expedite the process for Nalini using this url: <http://tinyurl.com/iwillsavenalini>

Modern marrow donations are simple and painless -
usually similar to donating blood!

YOU can
make a
significant
difference!
